SPOTLIGHT 1982

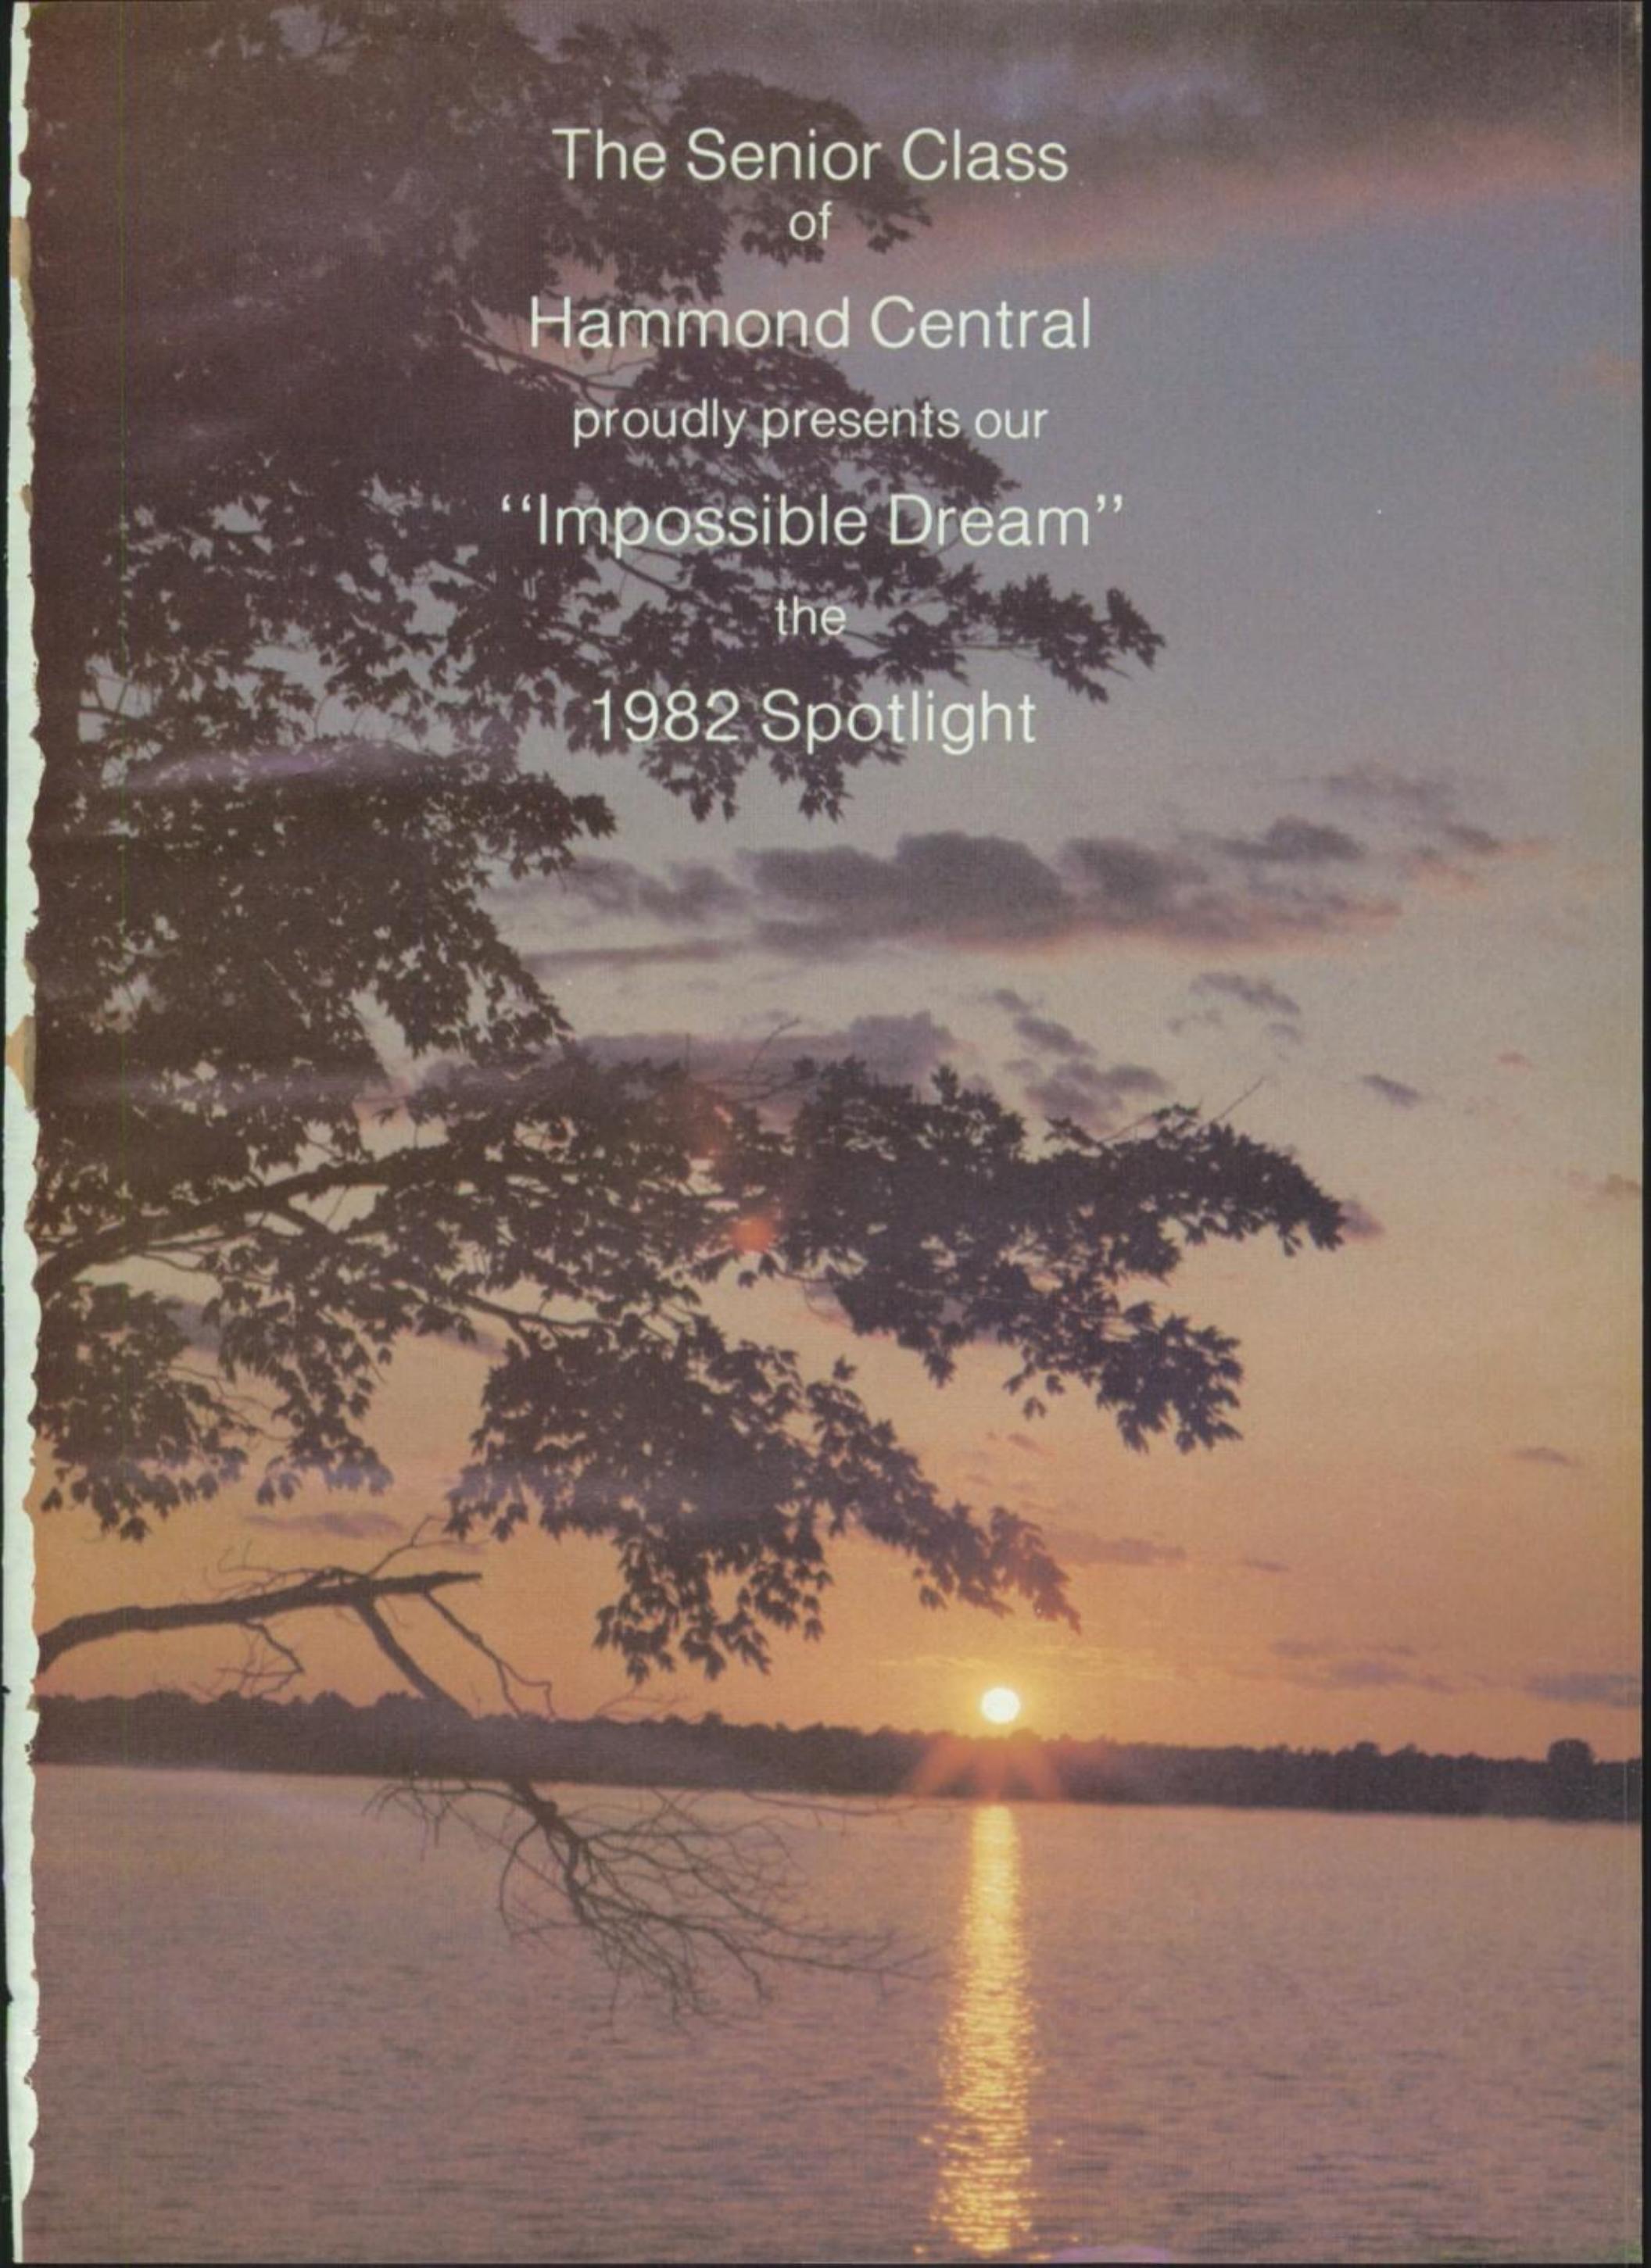

(1982)

e

g

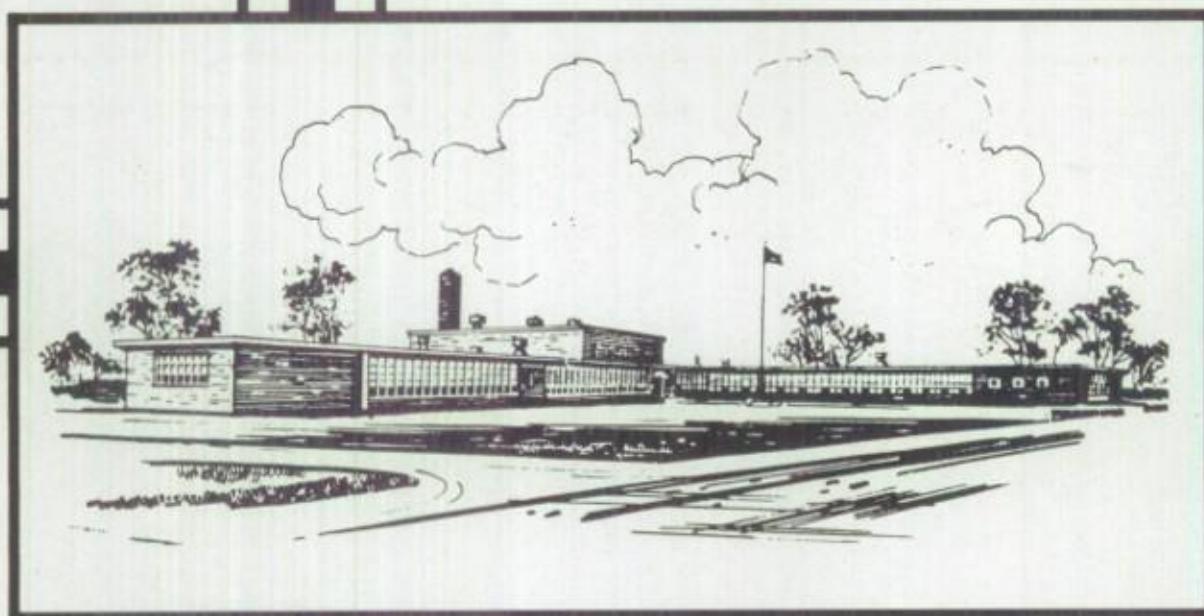

The background of the image is a photograph of a sunset over a body of water. The sky is filled with warm, orange, and yellow hues, transitioning into cooler blues and purples at the top. Silhouetted branches of a large tree frame the upper portion of the scene. In the lower foreground, the dark silhouette of another tree branch extends across the frame. The water's surface is calm, reflecting the colors of the sky.

The Senior Class
of
Hammond Central
proudly presents our
“Impossible Dream”
the
1982 Spotlight

Foreword

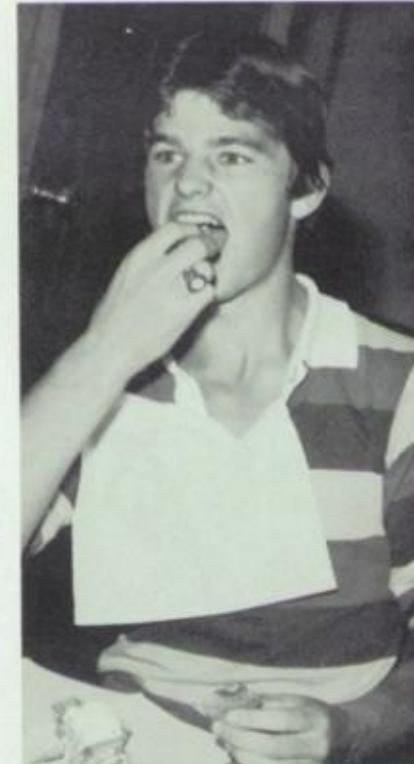

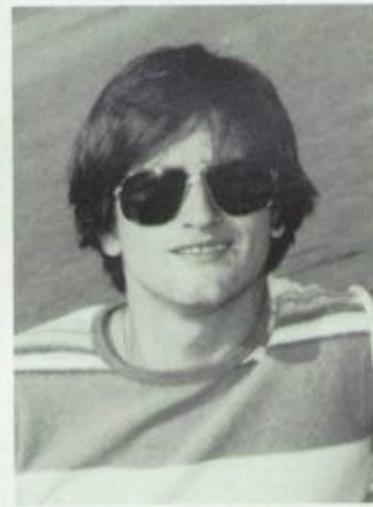

To dream the impossible dream — the words to this song were in our minds throughout the planning of the yearbook with the hope that the faculty and students of Hammond can dream *their* dreams and at least *try* to fulfill them. As you look through the pages of the Spotlight, the staff hopes that you will enjoy the book and the memories included in it.

Dedication

This year, the class of 1982 proudly dedicates the Spotlight to our families. Throughout our lives, they have given us support, knowledge, and acceptance. They have dealt with the good times and the bad times with love and understanding. With their help, we are now ready to venture into a new life and eager to fulfill our dreams. By dedicating this yearbook to our families, we hope to express our thanks and gratitude for the love and support they have given us.

Our Principal
Robert L. Scofield

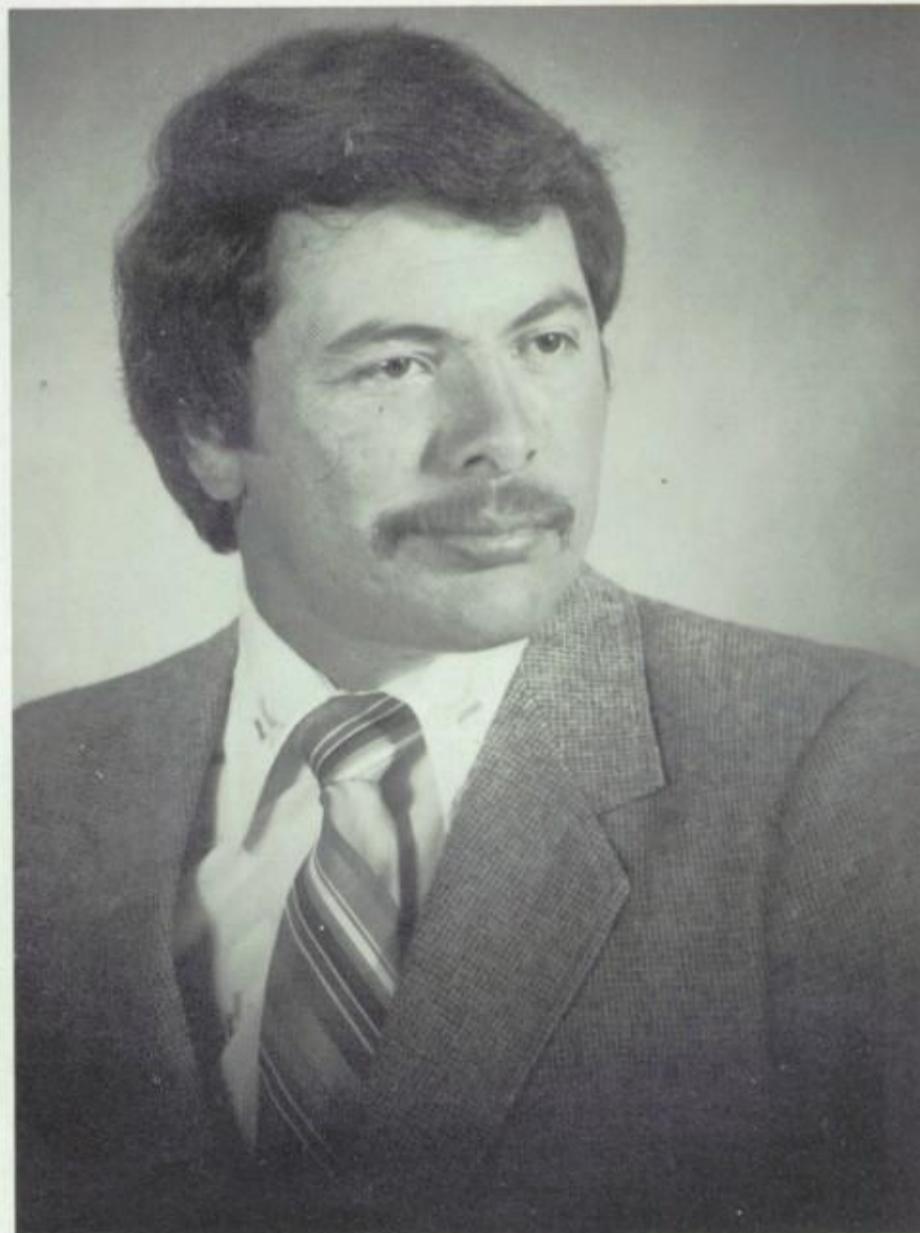

This has been a very interesting year. It was the senior's last year in the building as students and my first year as principal. I hope they had an enjoyable and memorable year, and that many good things will happen for them in the future.

Assistant Principal
Charles B. Buckel

To the class of 1982:

As young men and women embarking on a challenging and dubious journey into the future, I would wish for you contentment in knowing what you are about to do will be new and exciting, just as what you have already done was satisfying and rewarding. Yet, as you move ahead, stop for awhile . . . look back over your shoulder to see the happiness in your triumphs and seek the wisdom from your mistakes.

Special "Thanks" for Mrs. Katherine Hannan . . .

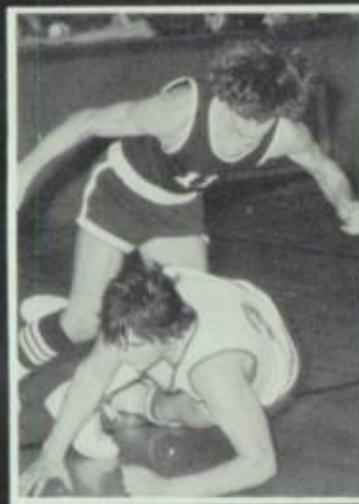

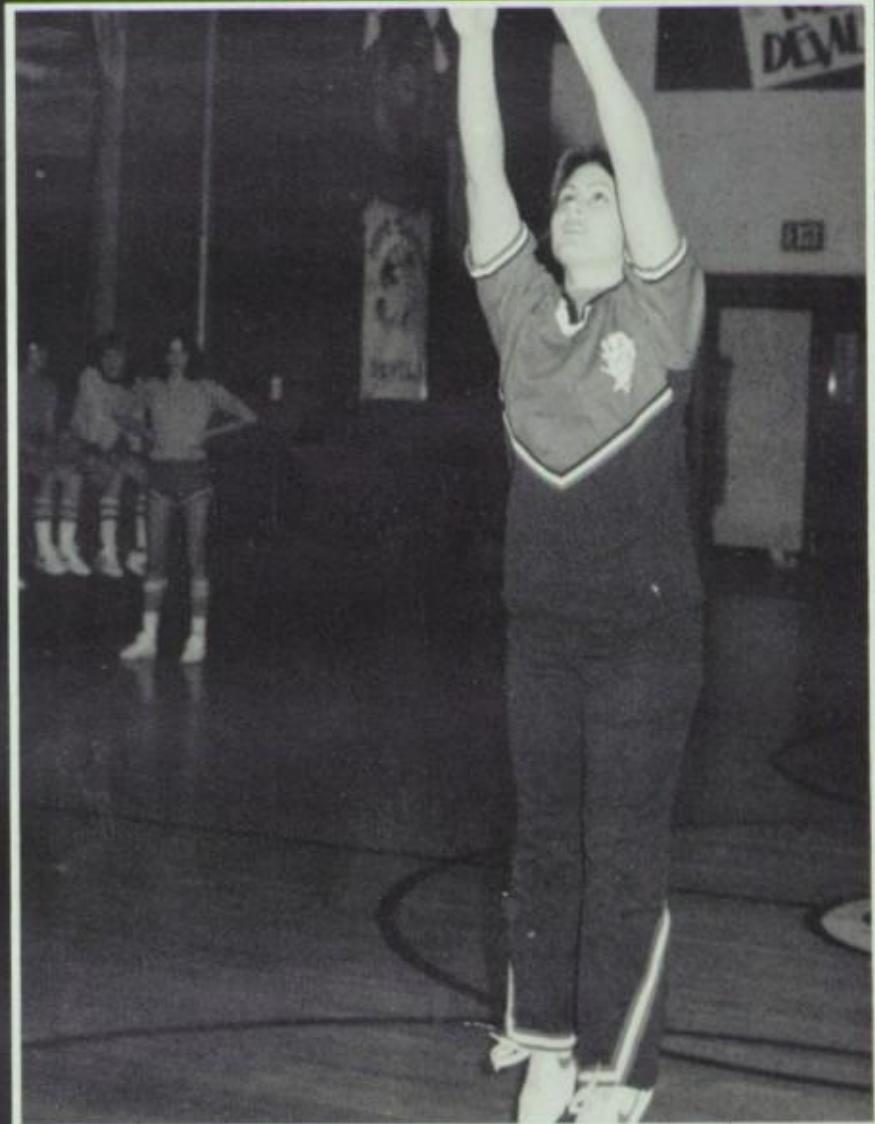

Through loyal dedication, love, and understanding, Mrs. Hannan guided us in our preparation of this yearbook. We spent many long hard hours creating this yearbook with the staff working together and listening to suggestions. As each page was finished, we felt a feeling of satisfaction and gratitude which made us proud to be working with Mrs. Hannan. Halfway through the year, Mrs. Hannan became ill, and we wondered if we could finish the yearbook without her.

We finally continued our work on the yearbook and put to use all the skills and knowledge Mrs. Hannan had given us. So as we finish this yearbook, we would like to say, "Thanks to you, Mrs. Hannan, this yearbook was completed and is something we can be proud of."

Epilogue

When the yearbook staff set out to create SPOTLIGHT 1982, we thought it would be our "Impossible Dream," but with guidance, various ideas, and pooled resources, we successfully molded our yearbook. We hope that everyone who looks through these pages will be able to reflect on all the (good and bad) memories we shared as a student body.

As we approach the end of our thirteen years, we feel both joy and sorrow, but as we prepare ourselves to go out in the world, we are grateful that H.C.S. has been a part of our lives. Thank You Hammond Central School!
